

OCTANE MAGAZINE – THE TIGER CHAMPIONS

Octane Magazine will carry a full race feature on the Sunbeam Tiger Champions next Spring (awaiting issue date details). The author who is very familiar with Tigers, having tested the Barraclough car among others in the past, put 3 top competition Tigers at race pace around the Silverstone circuit in November.

The whole day photo shoot and testing by Paul Chudecki was focussed on:

The No8 Lister Le Mans Tiger, The Championship winning rally prepared Tiger of Patrick Watts and David Smallridge's very

quick race Tiger. All of the cars were driven in competition circumstances and none were 'spared the lash' In attendance from STOC were Chris Beighton, Tony Eckford, David Smallridge and Patrick Watts. Once we have the publishing date it will be posted to the website.
